TSUNAMI SAFETY COMMITTEE MEETING
 Friday, August 12, 2005
 TIME: 10:00 a.m. - 3:00 p.m.
 Hilton Garden Inn Sacramento/South Natomas
 2540 Venture Oaks Way
 Sacramento, CA 95833

AGENDA

(10:00-10:15 am) Introduction of Committee members, invited speakers and observers,
 approval of July 25 meeting minutes and discussion of Committee's task to examine the
 tsunami hazards and risks potential in California and identify areas needing improvement.

(10:15-10:30 am) – Dick McCarthy, Executive Director, A review of the priority of the report
 which is to state the possible sources of tsunamis, show that historically they have occurred
 using Pelio tsunami knowledge, talk about the five state coalition and to have not more than five
 findings and recommendations. It should be used as an educational tool, to make sure the
 Governor and Legislature can use this as a tool to talk with the media when asked questions.

(10:30-11:15 am -) – Mr. Dan Larkin, Program Coordinator, Humboldt County Office of
 Emergency Services, and Mr. Allen Winogradov, Emergency Services Coordinator, Delnorte
 County Office of Emergency Services, Humboldt and Delnorte Counties tsunami assessment,
 preparedness and mitigation activities and how their organizations experienced and responded
 to the OES tsunami alert and warning after the June 14 undersea earthquake west of Crescent
 City.

(11:15-11:30) – Public Comments

(11:30-12 noon) – General discussion and suggestions on report contents, format, graphics and pictures

(Noon-1:00 pm) – Lunch Break

(1:00-3:00 pm) – Donald Parker, Committee Chairman, review of draft report and submittals of committee member assignments on tsunami hazards follows:

- Dr. Jose Borrero and Dr. Lori Dengler – historic tsunamis and sources of tsunamis
- Linden Nishinaga – information on the Ports of Los Angeles and Long Beach and the economic impacts
- Rich Eisner – five state membership, signage and warning systems
- Jeff Terry – different forms of median on different levels of education
- Dr. Lucile Jones – short piece on education of tsunamis in schools
- Dan Shapiro and Orville Magoon – recommendations to mitigate structures in vulnerable zones to withstand tsunami forces
- Five suggested findings and recommendations
